ANNUAL PUBLICATION OF
MISSISSIPPI SOUTHERN COLLEGE
HATTIESBURG, MISSISSIPPI

AFTER 50 Years

These Fifty Years have reflected tremendous progress in all phases of campus life here at Mississippi Southern College. This year is the Golden Anniversary for a college that came into being by a 1910 Mississippi legislative act to prepare better educated public schoolteachers. We now see the name of Mississippi Southern College being brought to nation-wide attention through its educational progress, its expansion of physical plant, its inter-collegiate sports activities, and its questing student body. The combination of expended energy and effort toward advancement creates the goal by which we, the staff of the 1960 SOUTHERNER, wish to portray—the Spirit of Southern.

JUDY HARRISON, Editor

JIM SPEAKE, Business Manager

AFTER FIFTY YEARS

An expansion

Mississippi Southern College has grown from an enrollment of 230 to 4,000 since 1912. Mississippi Normal College, as it was then named, was set up on six week terms. The basis for admittance was an eighth grade education. The campus then consisted of three primary buildings — Forest County, a dormitory for boys and faculty; Hattiesburg Hall, the main girls dormitory; and College Hall, a multi-purpose structure.

Today, the college campus consists of 840 acres with 50 conveniently located buildings. Plans are in order for additional constructions. Within the next three years, the more expert and daring among our campus leaders predict a total enrollment approaching 5,000. After fifty years —an evident expansion of enrollment and campus!

OF ENROLLMENT AND CAMPUS

AFTER FIFTY YEARS

Mississippi Southern has always been a friendly campus. In the early years of Southern's history, the students were met by the faculty when arriving at the railroad station. Students and faculty were together in the Dining Hall as one big family, and there was an atmosphere of hospitality and friendliness.

As preceded by the past, this friendly relationship between the students, faculty, and anyone visiting our campus still exists and perhaps has been magnified with the passing of years. Everyone speaks in passing one another; and with this, an air of casual hospitality is always present. After fifty years—Southern has been privileged to earn the reputation of having a campus endowed with true Southern hospitality.

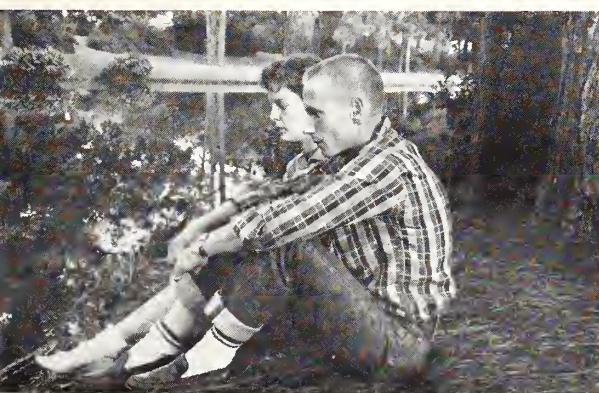

An atmosphere

OF HOSPITALITY AND FRIENDLINESS

AFTER FIFTY YEARS

A development

In 1912, Mississippi Normal College offered a certificate, upon the completion of two years of college work, which qualified the student to instruct classes in elementary grades. At this time only two members of the faculty has MA and MS Degrees.

Today, with a fully accredited staff of approximately 210 Administrative Officers, Deans, and Faculty members, Mississippi Southern offers to its students ten accredited degrees with a Doctorate in Education. To undergraduates, the following degrees may be granted:

- Bachelor of Science
- Bachelor of Arts
- Bachelor of Music
- Bachelor of Music Education

The Master degree is offered in several different fields.

After 50 years—a learned faculty, a progressive administration, and an outstanding development of curriculum and degrees.

AFTER FIFTY YEARS

An incorporation

In the year 1913, the students of Mississippi Normal College initiated a yearbook with the Indian name, Neka Camon, meaning the New Spirit. Literary societies, agricultural clubs, and various sports, combined with the yearbook publication, began the College's incorporation process.

Today Southern hosts hundreds of activities—social, professional, religious and honorary. Almost every student enters into some activity in his extra-curricula spirit.

After 50 Years — with education first, these activities join forces to make Mississippi Southern College a growing institution.

OF RELIGIOUS
PROFESSIONAL
HONORARY AND
SOCIAL ACTIVITIES

AFTER FIFTY YEARS

With the founding of Mississippi Normal College, there was the spirit of a new type of education, a spirit of economy, and a spirit of progress with goals toward which to work.

"We should live for the future and yet find our life in the fidelities of the present: the last is only the method of the first."—H. W. Beecher. As we reminisce in the past and live in the present, we realize that both are important because they become the foundation for the future. As we look ahead, we see a glorious future for Southern following the pattern of growth and progress of the last fifty years.

After 50 years—the spectacular spirit that makes Mississippi Southern College what it is today.

OUR PRESIDENT

DR. WILLIAM D. McCAIN

The event of the Fiftieth Anniversary of the founding of Mississippi Southern College marks a period of expansion and growth which has emanated from the strong foundation laid down fifty years ago. From this foundation has evolved an institution of higher learning ready to prepare its students for a life more abundant--through its religious, educational, and cultural training.

Fifty years is a short time in which to build a reputation of quality, integrity, and solid citizenry. It has taken the combined efforts of faculty, students, alumni and friends through these years to build this reputation. Together we shall continue to increase the academic strength and cultural refinement of the largest college in the State of Mississippi.

OF ARTS AND SCIENCES

It is the purpose of the School of Arts and Sciences to provide a broad cultural and educational experience for all students at Mississippi Southern College as well as to make available to them the specialized disciplines for major and minor fields. Freshmen and sophomores, regardless of their expected majors, are assigned to Arts and Sciences for the purpose of meeting the general education or core requirements necessary for graduation.

It is organized into fourteen departments: Biology, Chem-

istry, English and Literature, Foreign Languages, Geography, Geology, History and Government, Journalism, Mathematics, Military Science, Physics, Religion and Philosophy, Sociology, and Speech Arts. Majors and minors are offered in all of these areas except military science. In addition to the four year curricula, preprofessional training is provided for students who plan to enter the fields of medicine, dentistry, medical technology, nursing, pharmacy, optometry, law and engineering.

The recently constructed Science Building provides modern and well equipped laboratories and classrooms for students.

The faculty of the School of Commerce and Business Administration.

SCHOOL OF COMMERCE AND BUSINESS

The School of Commerce and Business Administration has begun its third successful academic year as a separate school. It is quite different from the small department that was turned into an academic division in 1947 consisting of the secretarial courses offered to teachers and the few business and economics courses taken from the Division of Social Studies.

Today, there are 686 students on the undergraduate

level within the school. This number includes only those on the junior and senior level except for two-year secretarial students. In addition, in the first year of Master's Degree work there are a total of ten full-time and twenty part-time graduate students. It is, by far, the largest School of Business in the state and, with the strong faculty, one of the best. Its growth and stature today exemplify the tremendous growth of Mississippi Southern College.

Newly remodeled Southern Hall is a building containing classrooms especially designed for students of commerce.

OF EDUCATION AND PSYCHOLOGY

Training teachers and school administrators has been a part of Mississippi Southern College since its founding, but only in 1957 when the college was reorganized was the School of Education and Psychology established formally. The reorganization from a division into a school was a mark of growth and progress. The primary purpose of the School of Education is to improve the schools of Mississippi, and all departments of the School make their contribution toward this goal. Fifteen undergraduate departments, areas, and special services are included in the School of Education and

Psychology, each of which has an administrative chairman or director. The Department of Guidance and the Department of School Administration, Supervision, and Curriculum, which are of graduate rank, are joined by the graduate areas of other undergraduate departments of the School, and administered in a similar manner to the undergraduate areas.

The fall of 1959 marks another step of progress with the inauguration of the doctoral program in education to meet the needs and demands of graduate students.

The George Hurst School affords facilities for observation, participation, and student teaching in eight grades of public school work.

This building houses the nursery school, classrooms, and laboratories of the Division of Home Economics.

THE DIVISION OF HOME ECONOMICS

The 1959-60 students in the Division of Home Economics on the undergraduate level are majoring in Home-Economics Education — Teaching Homemaking, Child Development, Clothing and Textiles, Institution Management, Clothing Merchandising, Homemaking, and Equipment. Graduate students are majoring in Home-Economics Education and in Child Development. Regardless of the major, the focus

of all work is on the family and improved personal and family living.

The highest honor, the Betty Dukes Craft Award, which can be given a student by the Division of Home Economics, was presented to Ella Truman McKenzie of Bay Springs. A previous recipient of this award, Cynthia Dennis, is a graduate fellow in the Division for 1959-60.

THE DIVISION OF FINE ARTS

In his last year as Chairman of the Division of Fine Arts, Frank E. Marsh, Jr. may look with justifiable pride on a "child full grown" and particularly on a department of music which is outstanding not only in numbers but in the many areas in which specialized training is offered. After thirty years of indefatigable drive and dedication to the cause of music in south Mississippi, Frank Marsh may be

gratified by the esteem with which this division is regarded not only in the state of Mississippi, but throughout the South.

Today, as the largest Division of Fine Arts in the state, it includes 28 faculty members and 150 students, and offers degrees in Music Education, Applied Music, Music Literature, Composition, and Music Therapy. The Masters Degree is offered in the above also. The Division is a fully accredited member of the National Association of Schools of Music.

The Fine Arts Building offers the physical facilities which, combined with specialized faculty members, make this Division outstanding.

GRADUATE SCHOOL

In recognition of Mississippi Southern College's responsibilities as a center of higher learning in Mississippi, a Graduate School was established in 1947 to provide an environment in which research and free inquiry would develop. Among the important goals toward which the Graduate School aims are the improvement of standards of living, the development of natural resources, the improvement of teaching in public schools in Mississippi, and the spread of cultural enlightenment in our area. The attainment of these objectives requires the services and abilities of scholars, specialists, and research workers in the various areas of intellectual endeavor. Within the limits of the physical resources, the equipment, and library facilities available,

the Graduate School has expanded from time to time to meet the needs and requirements of the people of the State.

Every effort is made to keep class work at a high level with emphasis upon extended research and reading. Students are expected to do superior work and to master subjects rather than merely meeting minimum requirements and complying simply with formal standards indicated in programs leading toward various advanced degrees. The Graduate School offers the following graduate degrees: Master of Music, Master of Music Education, Master of Education, Master of Science, Master of Arts, Doctor of Education, and Doctor of Philosophy.

EXECUTIVE BRANCH

The Student Government Association of Mississippi Southern College is an active, vital organization composed of all members of the student body. All students are encouraged to take part in elections and other activities sponsored by the SGA. In addition to sponsoring and holding campus elections, the SGA also stages the annual Homecoming Dance, the Beauty Ball, and other social functions. Also, numerous "big-name" bands and musical groups are brought to the campus in the course of a year. Student Government also issues several of the school's largest and most useful publications. The endeavors of the Student Government Association make for an interesting, active school year at Mississippi Southern College.

The Executive Branch of Student Government is composed of an executive council, consisting of a President, 1st and 2nd Vice-Presidents, Secretary and Treasurer. These officers handle the affairs normally handled by such officers. In addition, the President presides over the Men's and Women's Affairs Boards respectively. Also, an Executive Assistant is appointed who takes charge of all social functions for the Executive Branch. The First Vice-President handles all campus elections and is in charge, with the 2nd Vice-President, of publishing "The Drawl." All Executive officers are ex-officio officers of the Student Senate.

Third Row: Karen Trigg, Tay Mercer, Sandy Mayo, Jordan Dykes, Marie D'Antoni, Merrill Flowers, Sylvia Watson, Judy Harrison.

The legislative powers of the Student Government Association are vested in a student senate, which has a representative for each 100 students. All classes, including the graduate class, are represented. The senate is presided over by the president of the Student Government Association, and its acts

are subject to the approval of the administration. The Student Senate also serves as a coordinator of many student activities and budgets and allocates the funds of the Student Government Association. The Student Senate is one of the most active functions of the Student Government Association.

The Student Court, the judicial organ of Student Government, is made up of five associate justices appointed by the President of the Student Government Association. The responsibilities of the court are to adjudicate the constitution, to hear appeals from the Student Affairs Boards, to set punishment for student offenses, and to act as a traffic court for the hearing of cases concerning traffic violations. Normally, the students selected for service on the Student Court are of the highest caliber and scholarship. The Associate Justices of the Student Court elect from their number a Chief Justice who conducts all hearings in the Court.

boards are comprised of students elected by residents of different dormitories who seek to handle governmental and discipline problems within their dormitories. Decisions of these boards are subject to the approval of the respective dean and are also subject to appeal to the Student Court.

Membership in Omicron Delta Kappa, national leadership honor society for college men, is the highest honor paid a college man. Bringing faculty and outstanding students together on a basis of mutual interest and understanding, ODK helps mould the sentiment of the college on questions of local and intercollegiate interest. ODK, placing emphasis upon the development of the whole man, has for membership requirements: exemplary character, responsible leadership and discriminatory service in campus life, superior scholarship, genuine fellowship, and consecration to democratic ideals. The development and beautification of ODK walk is one way in which these ideals of ODK are kept before the student body.

Pi Kappa Pi, national honorary scholastic fraternity, was founded at the University of Mississippi in 1925, in order to maintain honor, and extend sound learning, high scholarship and intellectual achievement. The Mississippi Southern chapter was installed on March 31, 1949.

Membership in the fraternity is open to students who have maintained seventy per cent "A" grades for ninety consecutive hours in residence at MSC. This standard makes Pi Kappa Pi the most demanding of all scholarship fraternities. Since Pi Kappa Pi recognizes high scholarship in any type of study for which a recognized academic degree is authorized, membership in the organization becomes a goal toward which many students may strive.

WHO'S WHO

The students recognized by **Who's Who Among Students In American Universities and Colleges** are nominated from approximately 750 colleges and universities. Campus nominating committees consider, in making their selections, the student's scholarship; his participation and leadership in academic and extracurricular activities; his citizenship and service to the school; his promise of future usefulness.

After being chosen by the campus committee, the student's name is submitted to the national organization. Mississippi Southern is extremely proud of the thirty-six outstanding students who have been accepted for **Who's Who**.

When students began to pour onto Southern's campus in September, work had long been underway on the anniversary edition of the 1960 SOUTHERNER. Careful planning with the Benson Printing Company and the consultants there produced a theme, sample layouts, and instructions as to layouts and forms to be used throughout the year.

At the beginning of Fall Quarter the complete staff was appointed, and staff meeting began to meet regularly each Monday afternoon. The SOUTHERNER office became a beehive of activity. Many long hours were spent writing and rewriting copy, editing pictures, and wasting time trying to explain to the student who forgot to have his picture made that it was too late. Classes were missed, homework went undone, and we just found it necessary to miss some of those meetings that inevitably come up. Yet all of a sudden the book began to take shape, and finally it was completed.

Realizing that each Southern student has his own ideas as to what a yearbook should be, we can not hope to satisfy everyone. Yet our goal has been to present a representative picture of Mississippi Southern—its friendliness, tradition and progress. We earnestly hope that this edition will become a history for posterity, a good will instrument, and a memory book for each of you.

The Newman Club was established at Mississippi Southern in the fall of 1946, and is a member of the National Newman Club Federation and the Gulf States Province. Three main points the Newman Club stresses in student life are religious, intellectual and social development. The organization is dedicated to the principles of Cardinal John Henry Newman, a convert to the Catholic faith.

During the year, programs include speakers, discussions, group attendance at mass and communion three times a year, socials, and special projects.

The Newman Club is one of the outstandingly active groups on campus-religiously, educationally, and socially.

Westminster Fellowship is the organization for college students sponsored by the Presbyterian Church in the United States. Its purpose is "to discover God's will for our life, and do it." Weekly worship services on the campus, Bible Study Groups on the campus, benevolent giving, co-

operation with other Christian groups and with the churches in the city, and fellowship retreats are some of its activities. A program of worship and fellowship is held each Tuesday night in the College Union at six thirty. Within the group there is a Council and there are four Commissions.

CIRCLE K

Circle K Club, the Kiwanis Club of the college campus, was founded on Southern's campus in May, 1954, for the purpose of service to the college campus and community. The club, in carrying out its purpose of service, does such things as giving baskets at Christmas, adopting a needy family, publishing a campus calendar of events, and presenting the monthly "Circle K Lectures." The club meets each Tuesday at 5 p.m. in the small dining room of the college cafeteria. Membership is open to all male students with a grade average of C or better and a sincere interest in doing service work.

The Pan American Student Association was founded in 1955 for the promotion of better relations between the people of Latin America and of North America. The club has a large membership with nearly every Latin American country being represented. The cultural exchange between students provides one of life's most enriching experiences, giving not only knowledge but a deep wisdom. The activities of this club include regular meetings, films, dances, and field trips. Especially significant is the program which takes place in April of each week, and is called National Pan American Week.

Tau Beta Sigma, National Honorary Sorority for College Bandswomen, was installed on the Mississippi Southern Campus on May 17, 1957. It is an organization operating exclusively in the field of college and university bands, and has 68 active chapters throughout the United States. The purposes of Tau Beta Sigma are to promote the existence and welfare of the college bands, to honor outstanding women in the band through privilege of membership, to stimulate campus leadership and respect through the medium of the college band, to foster a close relationship between college bands, and to provide a pleasant and helpful social experience for all engaged in college band work. To be eligible for membership a 2.5 grade average must be attained.

Tau Beta Sigma and Kappa Kappa Psi work together on their Homecoming Float.

Yellow Jacket Sweetheart, Miss June Wood, is escorted by Larry Hatten to the annual Banquet.

The Yellow Jackets are a group of men united in an organization formed by social fraternities and the student senate. They are student hosts of campus guests and orientate freshmen and transfers. One of their most exciting projects is Freshman Day. Their purpose in general is to promote college traditions.

The Reserve Officer's Training Corps of the United States Army exists for the purpose of developing officers in sufficient quantity to provide a corps of well-educated, all-around leaders for an Army that would have to expand rapidly in the event of a national emergency.

The first ROTC unit at Mississippi Southern Col-

lege was organized in 1950 as a Branch Material Unit to prepare cadets for commissioning in the Field Artillery. In 1958, the MSC Academic Council adopted a program of compulsory ROTC training for all eligible male Freshmen and Sophomore students.

Chapters of seven National sororities compose the Panhellenic Council at Mississippi Southern. The Council acts as a forum for the discussion of questions of interest to the college and the sorority world. One of the important duties of the Council is the formulating and carrying out of rules governing rush, pledging, and initiations. In addition to the regular duties, there are projects sponsored to give all of the groups opportunities to work and play together. Panhellenic also seeks to unify the interests of sorority and non-sorority women.

The Cheerleaders have become one of Southern's biggest boosters of school spirit. They are a hard-working team united to increase school spirit. This year the squad cheered at every football game except two. General Nat, Marvin Oglesby, and his Sargent, Art Hill, kept the old Southern tradition high.

With Southern's basketball team rating Fourth in the nation, home games found the Cheerleaders on the sidelines to spur the Golden Giants on.

MR. REED GREEN
Athletic Director

Mississippi Southern posted a 6-4 football record in 1959. This followed on the heels of the great undefeated and untied (9-0) season of 1958. Coach Thad (Pie) Vann, who completed his 11th season as head coach, now has a 82-27-1 record, giving him a winning percentage of .750. Very few coaches in the nation have that claim to fame. Texas A & M, Auburn, Memphis State and Louisiana Tech scored wins over the Southerners in 1959, the latter team's 16-0 victory being the most humiliating. Victims were Trinity, Southeastern Louisiana, West Texas State, Abilene Christian, North Carolina State and the University of Chattanooga. A 6-4 mark would be acclaimed as a great record for most teams.

Southerners warm up in practice before the rough season begins.

SOUTHERN TRINITY

The Southerners, undefeated in 1958, opened the 1959 campaign with a bang, pleasing a home crowd of 12,500 with a 29-8 opening victory over Trinity University Tigers. There was little doubt about the outcome following the first period, in which Coach Vann's unit racked up a 13-0 lead on touchdowns by Hugh McInnis and Tommy Morrow. McInnis picked up teammate Charley McArthur's fumble on the enemy three and went over for his score. McInnis kicked the extra point for a 7-0 lead. Later in the quarter Morrow, running from the 20 on a trap play broke into the clear at the 11 and went over virtually untouched. A passing attempt for extra points failed. It took only 40 seconds of the second period for a red-hot Southern team to stretch the margin to 21-0. The

TD came on a 16-yard pass-run play, with Morris Meador throwing and Andin McLeod catching and running. Meador ran across for a two-point conversion. The score remained 21-0 at halftime. McInnis proved to be "johnny on the spot" again in the third quarter, catching a Trinity fumble in the air at the Tiger 14 and galloping over for his second TD. Fuell passed to McArthur for a two-point conversion and a 29-0 lead. That ended Southern's scoring. Trinity counted with less than three minutes left in the game on a 20-yard Patterson-to Shirley pass. The win stretched Southern's victory string to 10 and it seemed the Vannmen were just picking up where they left off in 1958.

The Southerners finally had their winning streak cut off after ten consecutive victories on this cool October night in Mobile. A highly partisan crowd watched as McInnis, Supple and company pushed mighty Texas A & M all over the field, only to lose the game in the final minutes on a desperate drive by the Texans. Hugh McInnis showed one phase of his All-American rating by booting a 22-yard field goal in the first period to put Southern on top. The Southerners maintained this lead until the final quarter when A & M's great quarterback, Charlie Milstead, engineered the winning drive. The valiant MSC forward wall, led by Charley Ellzey, Ray St. Pierre, Buddy Long, Bob Rhinehart, and McInnis, bottled up the Texan's attack very effectively until the final frame, when

A & M was forced to go to the air in order to move the ball. Southern's superiority most of the way is shown in the statistics. MSC picked up 368 yards on the ground to 195, and gained a 15-10 first down advantage. Sophomore quarterback Don Fuell battled A & M's Milstead on almost even terms; Fuell chalked up five of nine pass completions for 71 yards and picked up 65 yards rushing, while Milstead completed seven of eight tosses for 97 yards, but gained nothing on the ground. Texas coach Jim Myers expressed the opinion shared by the vast majority of the spectators when he said that his club could have easily lost by two touchdowns with any sort of a break for Southern.

Southern got back on the victory trail in the third start of the season with a second half victory over a stubborn Southeastern Louisiana Lion team in Hattiesburg. A good crowd watched the Southerners jump off to a 6-0 first quarter lead and wear the visitors down to rack up three second half touchdowns. Hugh McInnis tallied the first Southern TD as he picked a blocked punt out of mid-air and raced 12 yards into pay dirt. The Southerners missed two scoring chances in the second quarter when penalties cut off strong drives. The second MSC touchdown came with four minutes gone in the third period when quarterback Don Fuell rifled a 45-yard scoring pass to fullback Buddy Supple. Fuell added the two point conversion to run the score to 14-0. Another TD was added

near the end of the third quarter when quarterback Morris Meador capped a 62-yard drive by sending fullback Dan Pugh over from the nine for the score. The final Southern TD came midway in the final period when Supple blasted over from the one to end a 44-yard drive. A 27-yard pass from Meador to Supple was the big play in this final march. The Lions finally got into the scoring act following the last MSC touchdown. Speedy Southeastern halfback Billy Ladner broke loose about a minute after Southern's score with a 72-yard burst. Southern completely dominated the statistics, chalking up 18 first downs to the visitor's six.

Mississippi Southern warmed up for its homecoming game with Abilene Christian by crushing the West Texas State Buffaloes at Canyon, Texas. Coach Vann's starting unit scored a touchdown the first time it got its hands on the football, driving 72 yards. The number two unit added another TD the first time it touched the pigskin too, moving the score to 12-0 on a five-yard pass from quarterback Billy Larson to halfback Andin McLeod. Second quarter action saw the Southerners score still another TD when fullback Buddy Supple blasted over from the West Texas 18-yard stripe. MSC's attack never relented in the third period as tackle Buddy Long recovered a Buffalo fumble on the West

Texas 16. Charley McArthur drove over from the one for the score. Still in the third frame, the Southerners moved 79 yards, sparked by a 35-yard pass from Billy Larson to J. C. Rayborn, for another score. Dan Pugh bulled over for the tally from the West Texas 11. Fourth quarter play saw the Southerners score again on a 31-yard pass from Morris Meador to end Charlie Dedwylder to end a 65-yard march. The host Buffaloes managed one touchdown in the final period also, ending Southern's hopes for a shutout. All 38 members of the Southern traveling team was action in this contest as Vann used different combinations in experimenting with his offense.

Homecoming found the Southerners in top form again as they blasted scrappy Abilene Christian in a strong second-half scoring exhibition. The first half of play was a see-saw affair, ending in a 7-2 advantage for MSC. Both lines battled fiercely in the first half, with tackle Byron Bradfute, a transfer from the Texas school, pouring it on his old mates with vengeance. Southern's first tally came when quarterback Don Fuell cracked over from the Wildcat four to wind up a 45-yard drive early in the second quarter. The Texans countered with a two-point safety in the closing seconds of the half. Center Charlie Ellzey got things moving in the third quarter with an interception of a Wildcat pass and a 24-yard run into pay dirt. Buddy Supple added the two-point PAT and moments later electrified the huge crowd by returning a punt 84 yards

for a touchdown. However, the splendid run was called back by a clipping penalty. Southern drove to its third tally after center Joe White recovered an Abilene fumble on the visitor's 46. Halfback Andin McLeod punched over the score from the Wildcat 12. Dan Pugh added the two points to make the scoreboard read 23-2 with 1:25 left in the third period. MSC moved quickly to another marker when Supple scored from the Wildcat two to end a 65-yard march. After an exchange of intercepted passes, Abilene Christian scored on a 25-yard pass to end scoring for the night. Southern once again dominated the statistics as it ran up a total of 282 yards total offense, as opposed to 203 for the visitors.

MEMPHIS STATE	7	0	7	7	•	21

Southern suffered its second defeat of the season at the hands of a fiercely battling band of Memphis State Tigers in Memphis. The State team wanted this victory more than any other of the season and would not be denied as they avenged a two-point loss to Southern last year. Mississippi Southern contributed to its own downfall with several costly mistakes, but nothing could be taken away from the Memphis club as they fought with fury. The winners scored first in the opening quarter, and Southern countered early in the second when Supple exploded to the Tiger's three on a 25-yard burst and halfback Arnold Spence took it over from there. Memphis moved to the Southern five with seconds left in the first half, but big Hugh McInnis broke through to block a

field goal attempt and leave the halftime score at 7-6. A Southern fumble on its own 35 gave the Tigers another scoring chance early in the third quarter, and they took full advantage of it. Late in the third frame Southern appeared to be turning the tide, but Supple fumbled into the Memphis end zone to cap a sustained drive and instead of a tied ball game State had the ball on its own 20 with a safe 14-6 lead. This was the play that broke Southern's back, and the winners drove 80 yards in just seven plays for their next score to wrap up the win. Supple led Southern in rushing with 60 yards on 11 carries, and Fuell completed two of four passes, both on Southern's ill-fated third quarter drive.

Homecoming celebrations found new dormitories and buildings being dedicated and alumni from all over the state present.

"A crowd thriller of the first order" is the only way the 19-14 victory over North Carolina State can be described. With but 1:11 left in the game Southern had a 13-6 lead. Then N.C. State's Don Podwika, one of the greatest backs Southern has faced in years, plowed over for a score to make it 13-12. State called time out and decided to go for a win with a tough-to-make two-point conversion rather than try an easier kick for a tie. Iceman Podwika passed to a teammate in the end zone to put the Wolfpack ahead 14-13. The Southerners then showed a little of their own ice-water veins. Rene Lorio returned the kickoff 23 yards to the State 37. The clock showed but 50 seconds remaining. Sophomore Meador, who had shown brilliantly all afternoon, dropped

far back to pass. He spotted Lorio deep and let fly. Lorio grabbed the ball at the 9, juggled it momentarily, and then went into the end zone. A passing attempt failed on the conversion try. State had 39 seconds to go (the winning play required only 11 seconds) but Southern's defenders stood up to be counted. They knocked a passer down for a loss of eight yards. Then they dropped him for a loss of 10. McInnis led the attack on both occasions. Then, on orders from the bench, the defenders dropped back deep to be sure State wouldn't hit the pay-off pass on the final play. A pass was good for 24 yards but the Wolfpack was still in its own territory and Southern had a 19-14 victory locked up.

It was as cold as the proverbial well-digger as the Southerners returned home for their annual outing with the University of Chattanooga Moccasins. As usual, Coach Scrappy Moore's Mocs proved to be a stubborn foe but Southern forced a 14-6 victory. It was a big win for the Vannmen—for this was the one that assured them of a winning season (a 6-2 record with two big ones to go). Fine defensive play figured in this one. Southern's offense exploded for two first-half scores but no more. Buddy Supple went over from the one for the first TD, and Leon Atkins made a shoe-string catch of Fuell's pass in the end zone

for the second. McInnis failed on a kicking conversion try, but Fuell passed to Atkins for a two-pointer after the second score. The score still stood at 14-0 after three quarters. Southern stopped the Mocs on the MSC 1 early in the fourth period but couldn't repel the Tennessee club in the closing minute. The Mocs scored on a Washburn-Hogan pass with 33 seconds left to play and it wound up 14-6. The win gave Southern a 9-2 lead in its series with Chattanooga, and most every game with them has been this tough. Southern led 154-83 in rushing and 43-26 passing.

The War Eagles were just too tough, but one wonders what might have happened had the Southerners halted Auburn on their first TD move. Anyway, Auburn won it 28-7. The Southerners, especially Ellzey and McInnis, drew great praise from Tiger coach Shug Jordan, but this failed to heal the wounds of a team that has given its all. Southern got a break in the first quarter and made the most of it for a 7-0 lead. Auburn fumbled a punt and McInnis nailed the fumble at the Auburn 30. Seconds later Meador spotted McInnis open at the goal-line. McInnis was knocked down as the ball arrived. The officials ruled interference and awarded Southern the ball at the one. Meador sneaked over for the TD. McInnis kicked the goal. Moments later Auburn blocked a Southern punt and recovered on the MSC 6. In three plays the Tigers netted a

loss of one yard, as Southern's line stalwarts completely outfought the Tigs. Then the Auburn quarterback slipped past two Southerners at the sidelines to score from seven yards out. The Tigs kicked the goal and it was all tied up 7-7, the way the first period ended. Auburn staged a 46-yard drive against the still-stubborn Southerners midway of the second period and took a 14-7 halftime lead. An 80-yard surge following the second-half kickoff netted the Tigers a 21-7 lead and took a little of the starch out of the Vannmen. The Southerners were still fighting at the end, however, even after Auburn took a 28-7 lead with 1:18 left to play. Auburn led 173-72 in rushing and 72-1 in passing yardage. Nobody was disgraced this day as 20,300 fans can testify.

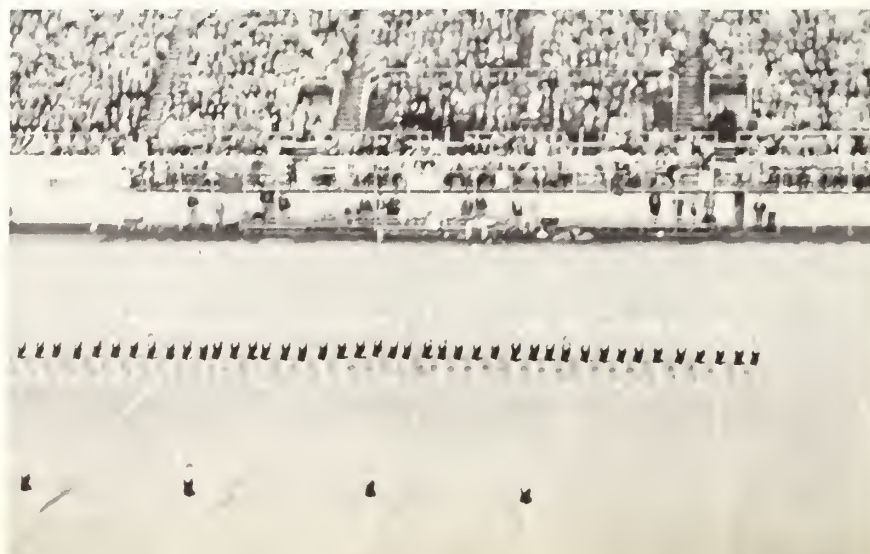

SOUTHERN LOUISIANA TECH

The one bitter defeat of the season came in the finale as Louisiana Tech blanked the Southerners 16-0. It was the first time Southern failed to score since 1955, and only the seventh time in Coach Vann's career as head coach (since 1949). It was a bitter pill for the Southerners to swallow and a day of reckoning may be in the offing. Southern just missed a TD late in a scoreless first half, and the failure seemed to put life into the Bulldogs. Even so, the Vannmen held them off in the third quarter, except for a 32-yard field goal that gave Tech a 3-0 lead.

Coach Joe Aillet's Dogs were content to try to make the 3-0 stand up. They went all out in the fourth period and an amazing passing attack sparked them to two touchdowns and the 16-0 margin. Freshman quarterback Johnny Hudson led the assault with nine completions in 11 attempts. He added insult to injury by scoring both touchdowns himself. Southern led in first downs, 20-12, and in total yardage, 295-243. But Tech put the points on the scoreboard. It was a long ride home.

BASKETBALL

MR. FRED LEWIS
Head Coach

The "Golden Giants," the 1959-60 Mississippi Southern basketball team, established the finest record in the history of the college—winning 23 games while losing only 2! After dropping the first game of the season, Coach Fred Lewis led his tall and terrific cagers to victory streaks of eight and 15 games, with the other loss sandwiched in between, to compile one of the best records in the nation.

Completing his third season at Southern, Lewis now boasts an excellent percentage of 53 wins and 22 losses for a .707 winning percentage. The former college and pro all-star has returned the college to the pinnacle of basketball success.

With three seniors setting the pace, the Southerners wound up fourth in the country in the United Press-International "College Division" rankings. The team averaged almost 48 points per game to only 69 for the opposition and ended the season with that 15-game streak still intact.

Kneeling: Hugh Morris, Manager; Larry Guest, Statistician. Standing left to right: Dr. Art DeRosier, Freshman Coach; Alex Delia, Ben Gantt, Wayne Pulliam, Dick Moziejko, Roy Danforth, John Migliazzo, Richie Goldberg, Clyde Mills, Don Currey, Donald Clinton, Bill Lundburg, Coach Fred Lewis.

The three seniors, who ended their collegiate careers this year in great style, are pictured with Coach Lewis: Wayne Pulliam, 6-2 guard; Don Curry, 6-4 forward; and John Migliazzo, 5-10 guard.

FINAL 1959-1960 STATISTICS

Featuring fine team depth, the Southerners had four players who averaged in double figures for the season, with two others right behind. Curry averaged 18.2 points per game, followed by Migliazzo with 13.6; junior forward, Alex Delia with 10.8; sophomore guard Richie Goldberg with 10.6; Pulliam with 9.3; and big 6-8 freshman center Bill Lundberg with an 8.9 average.

Sophomore guard Roy Danforth, who was a starter until a hip injury caused him to drop out of action after 16 games, averaged 7.4 points per game. Pulliam filled in as a starter for Danforth the rest of the season and did an outstanding job.

One of the big reasons for the team's success was the presence of the "shock troops," Southern's superlative reserve corps. Headed by Mig and Pulliam, until the latter replaced Danforth, these players came into action time after time to tip the scales in favor of the Southerners. The other shock troops were 6-7 junior center Donald Clinton, 6-6 sophomore forward Ben Gantt, 6-4 junior forward Clyde Mills, and 6-2 sophomore guard Dick Moziejko.

Rebounding was another department in which this Southern team excelled. Led by the largest "Giant," Lundberg, one of the brightest stars in Southern's immediate basketball future, the squad averaged almost 57 rebounds per game to only 42 for the foes. Bill snared 305 rebounds for a 12.2 average.

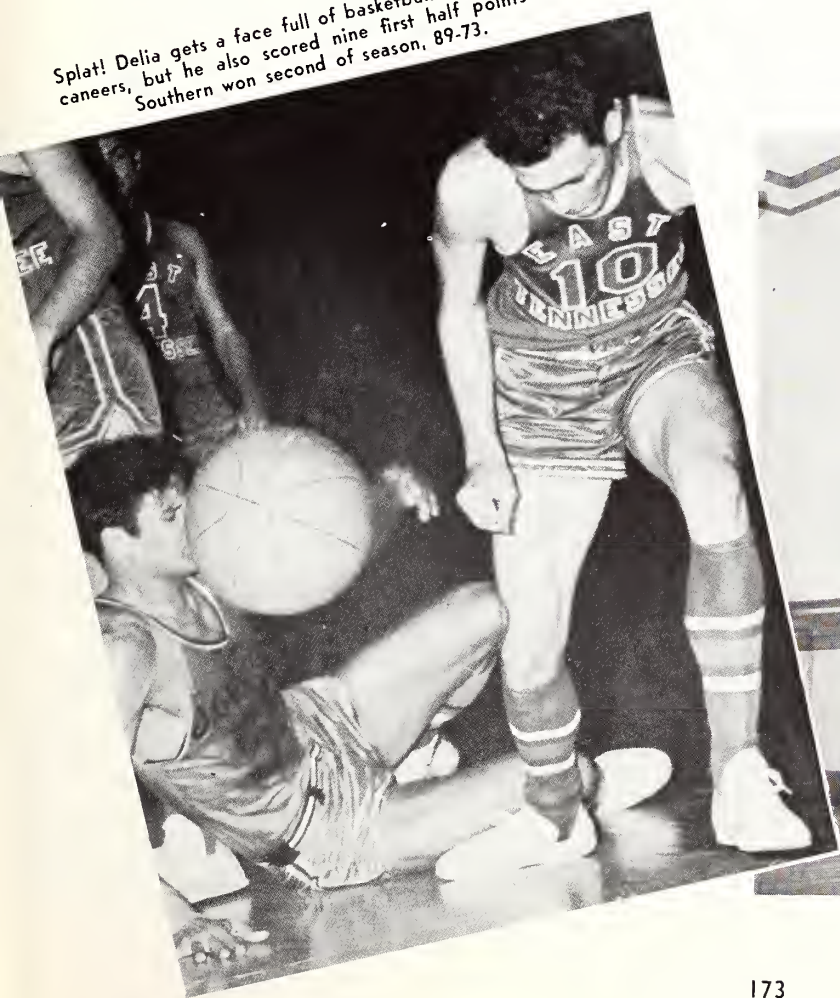

There's nothing like a winner! President McCain sits on sidelines among overflow crowd which came to watch final home game of season as Southern avenged loss to SLI, winning 93-72.

SNAPSHOTS

Splat! Delia gets a face full of basketball against Buccaneers, but he also scored nine first half points as Southern won second of season, 89-73.

Won 23, lost 2. Who says that dance class didn't pay off???

Everybody watches as Gantt scores against East Tennessee State.

Southern opened the campaign on the wrong foot, but even in defeat gave indications of what was to come. Playing at Tuscaloosa, the team dropped an 82-72 decision to Alabama, although outshooting the Tide 27-24 from the field.

ON THE

"Gimme that ball!" says Clinton (left) as he, Gantt (right) and Pulliam (45) fight for possession in 89-73 win over East Tennessee State.

Being charged with 28 fouls, high for the season, the Southerners lost the game at the free throw line as Curry, who was high scorer with 17 points, and Danforth fouled out.

The team returned to the friendly confines of the Sports Arena for the second game, defeating Stetson University 86-59, and an eight-game winning streak was on the way.

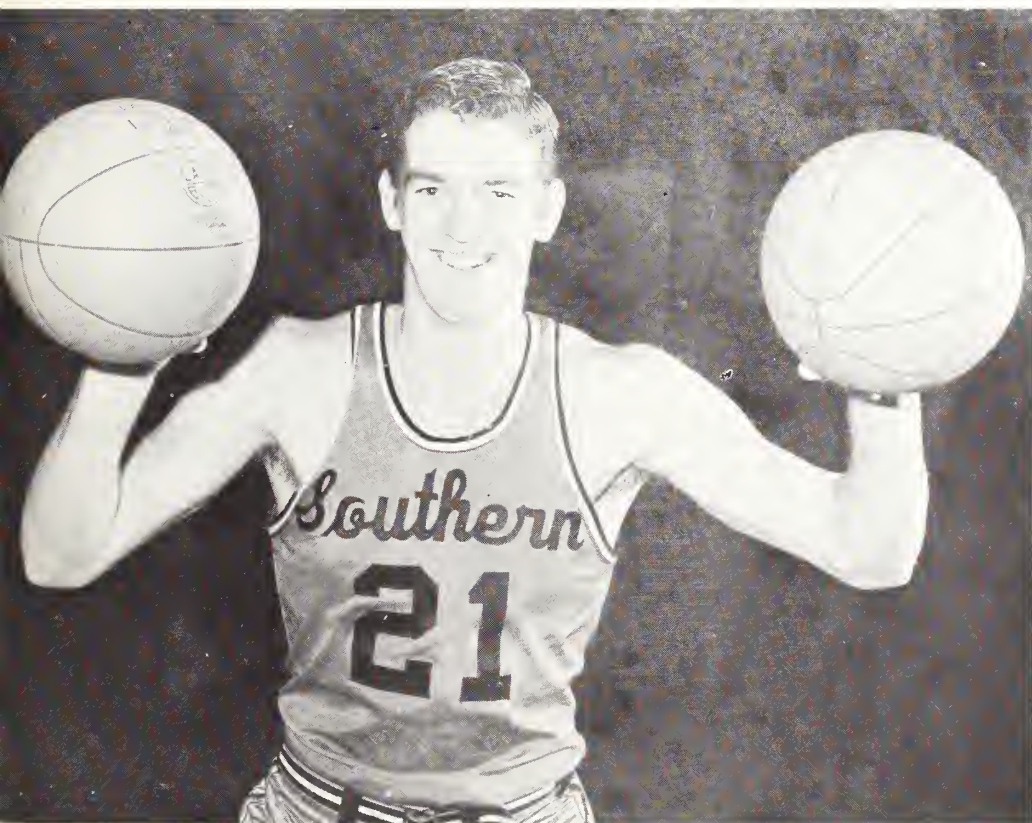

Prior to the Christmas Holidays came victories over powerful teams on the schedule. During this stretch, Curry was the leading scorer three times, Pulliam twice and Goldberg once.

COURT

Gantt (left) and Danforth (right) battle for rebound in 87-78 triumph over Florida State.

No wonder Lundberg was tops in rebounds!

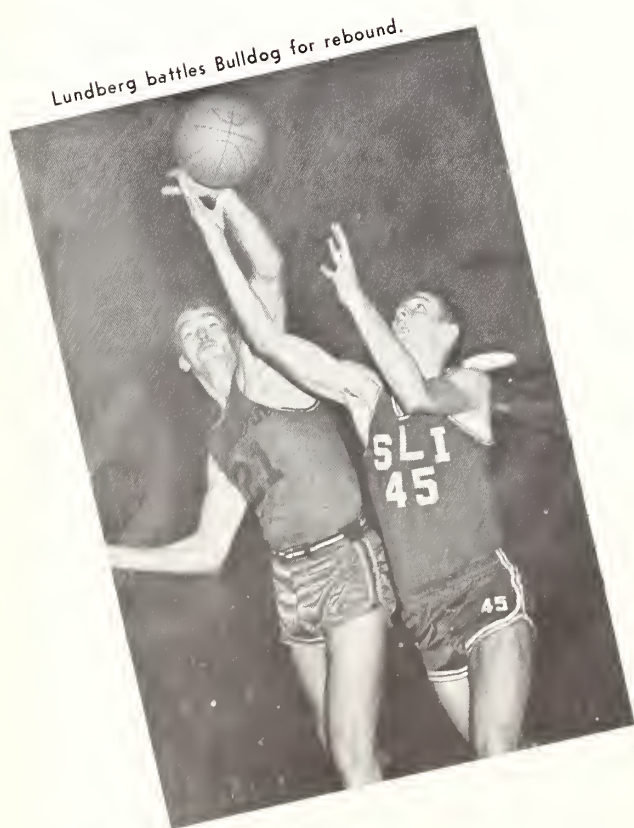

The "Golden Giants" now had victories over East Tennessee State of the powerful Ohio Valley Conference, 89-73; Northeast Louisiana State, 97-69; Southeastern Louisiana, 75-62; Lamar (Texas) Tech, 76-68; and Central Iowa, played at Magee, 84-61.

BASKETBALL

Lundberg battles Bulldog for rebound.

Next came the Lafayette Invitational Holiday Tournament, hosted by Southwestern Louisiana Institute. It was in the opening game of this four-team tourney that the Southerners really showed their greatness; and it was here that the 6-6, 220-pound Delia came into his own. Trailing by 12 points with less than five minutes to play against a strong North Texas State team of the Missouri Valley Conference, Southern rallied to tie the game up at the end of regulation time and went on to win in overtime, 89-83. Delia was high scorer with 23 points and captured an amazing 23 rebounds—top single-game performance of the season in this department. With Curry again leading the way with 28 points, Southern defeated SLI, 93-80, for the tournament championship.

Probably suffering a let down after their title victory, the Southerners played SLI again in their next action and dropped the second decision of the season, 85-78, with Pullivan pouring in 24 points in a losing cause. After this, however, the team was unbeatable.

Following wins over Lamar Tech, 81-75; Florida State, 87-78; and Spring Hill, 63-49, Coach Lewis' lads left on what is annually the toughest road trip of the season, facing Centenary at Shreveport and Louisiana Tech at Ruston. With Lundberg leading the way with 16 points and 18 rebounds, the "Golden Giants" won 69-63 over the Gents in a rough ball game (50 fouls were called).

Basket coming up at the end of a Southern fast break.

AT MSC

Captain John Migliazzo and Coach Lewis—two of the thirteen people who are responsible for Southern's best season in history.

SOUTHERN

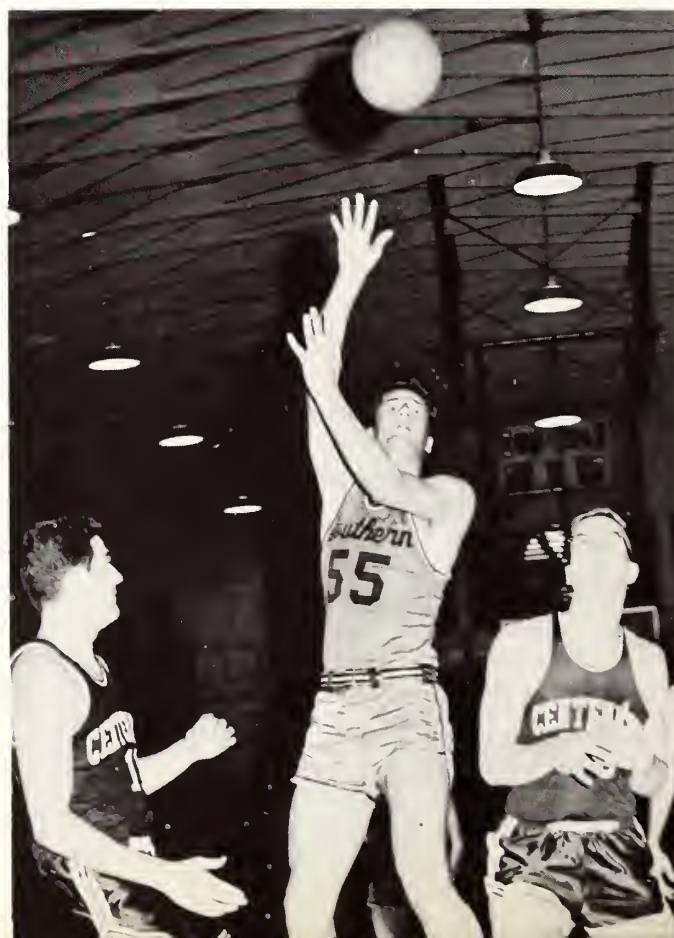

Captain Migliazzo goes high for a layup to score two of his 17 points against Centenary.

In a real thriller, Southern again proved its come-from-behind ability against Tech, deadlocking the game in the closing seconds on a steal by Migliazzo and a bucket by Goldberg and winning in overtime, 74-70. Curry led the scoring with 20 points as Southern connected on a phenomenal 57 percent of its field goal attempts.

Next came successive home court victories over Southeastern Louisiana, 83-63; Louisiana Tech again, 79-67; and Florida Southern, 96-62; before the team journeyed to Jackson to face Delta State.

The Southerners piled up their largest score of the campaign against the Greenies, romping to a 99-66 victory as five players, led by Mig's 20 points, scored in double figures.

Delia pops in one of his patented one-handers in 88-73 victory over Gents.

THRILLERS

Southern Giants leave by air to meet the Washington University Bears.

"Golden Giant" about to score two in 98-73 win over Tampa.

Gaining momentum in the home stretch, Southern then rolled up impressive wins over Northeast Louisiana State, 87-79; Spring Hill, 59-32, in a game which saw the Badgers at times hold the ball for five minutes without taking a shot (the halftime score was Southern 15 and Spring Hill 9); Centenary again, 88-73; Tampa University, 98-73; and SLI, 93-72. In this third game against SLI, in which Southern gained revenge for one of its two defeats, Curry hit his top single-game point production of the season, pouring in 31.

The final game of the year saw the Southerners travel by air to St. Louis, Mo., to face the Washington University Bears. As a snow storm raged outside, the red hot Southerners led all the way to win, 95-81, wrapping up their 15th straight victory and a record-breaking season.

FRESHMAN BASKETBALL TEAM

Although Southern's nine-man freshman squad did not play a regular schedule of games, they participated in intramural action and provided surprisingly strong competition for the varsity in practice all during the season. Stars of the team, and the ones Coach Lewis is looking to for help in the seasons to come are as follows: Forward Carl Harper, 6-4; Forward Rudy Dossett, 6-6; Center Jim Walker, 6-9; Guard Walter Kaser, 6-1; Guard Bobby Magee, 5-10; and Guard, Mike Olander, 6-0. Top scorers were Kaser, Harper and Magee; best rebounders were Walker and Dossett, and the playmaker and ball-handler was Olander.

COACH C. J. TAYLOR

Veteran pitcher Gerald Poole was being depended on heavily at the outset of the 1960 baseball campaign. He got the club off to a winging start with a two-hit job in a 4-1 victory over Northeast Louisiana.

Poole, a righthander, and southpaw Bill Wilhelmi were Coach C. J. (Pete) Taylor's only experienced hurlers and hopes of matching the 1959 team's .667 winning percentage depended on them.

Five other returning lettermen figured in Taylor's plans. In the group were catcher Tommy Morrow, one of the top-hitters in '58; infielders Wayne Leckich and Charley Dedwylder, and outfielders Leon Akins and Frank Teneralli.

Letterman outfielder Hugh McInnis was lost to professional football and letterman infielder Johnny Brechtel couldn't compete due to a football injury.

Other pitchers on Taylor's comparatively young crew included Earl Ethridge, Larry Guest, Kaye Upton, Cecil Shamburger and Larry Meredith.

Newcomers Don Fuell in the outfield and Dick Moziejko at shortstop looked promising, as did freshman infielder Billy Dickson.

The team faced an 18-game card after two early-season contests were cancelled due to rain. The Southerners won 10 out of 15 in '58.

SPRING SPORTS

Richard Moziejko, shortstop, taking some practice swings.

The 1960 SOUTHERNER was long underway when Spring Sports such as baseball, tennis, and golf began. Therefore, it is impossible to give the seasons results, but only to give a preview of the various team's potentials.

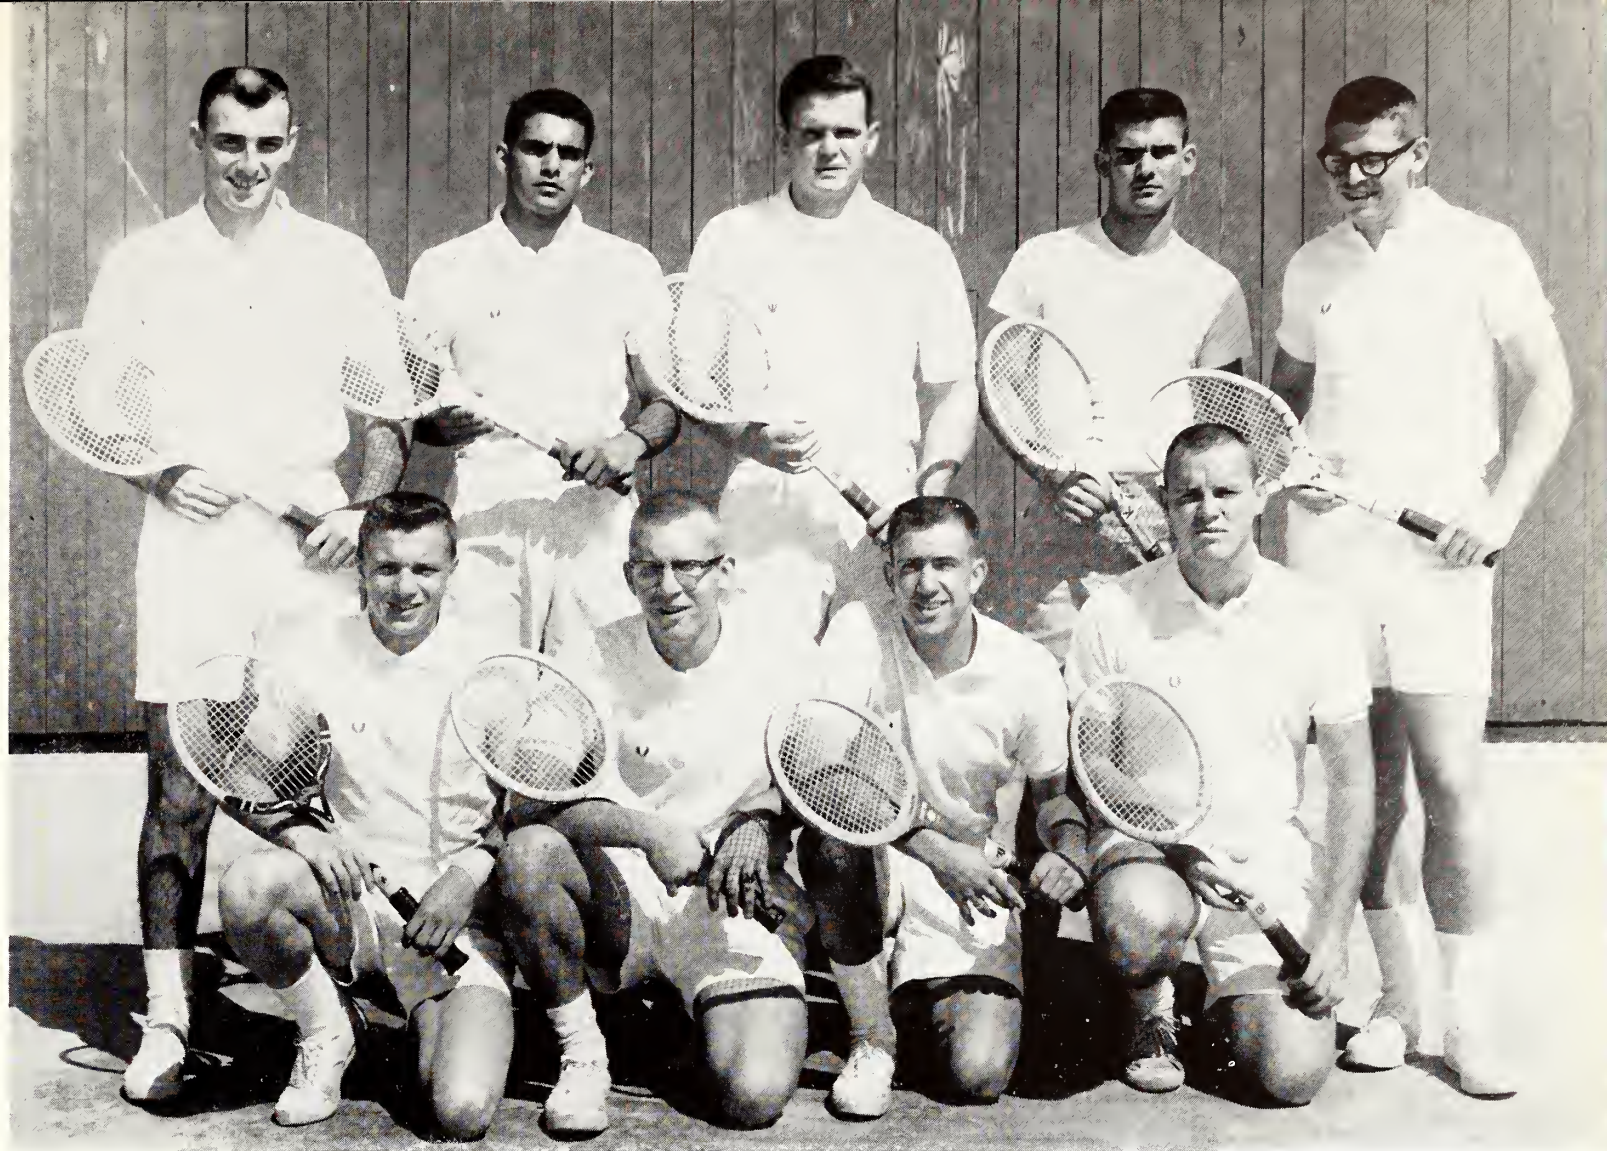

Prospects for a successful campaign in golf in 1960 were bright as Coach B. O. Van Hook's crew finished fifth in a tough field of 10 at the Lake Charles Intercollegiate Invitational. Four lettermen form a strong nucleus for the team. These include Robbie Webb, Roy Smith, Walter Love, and Lonnie Cleveland. Other top contenders include John Alvis, Hank Bishop, John Sherrill, Norman Bagby, Frank Bell, Chenault Cockrell, and Keith Hannan. The schedule includes eight dual matches and two tournaments, including the Southern Intercollegiate at Athens, Georgia.

First row, left to right: Bob Anconetani, Bob Camilleri, Dave Milligan, and Bob Bodden. Second row: Jimmy Ladner, Ed Petro, Larry Moore, Bill Coffey, and Bill Mabry.

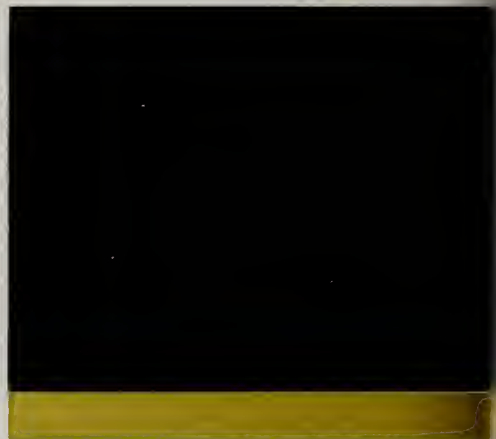

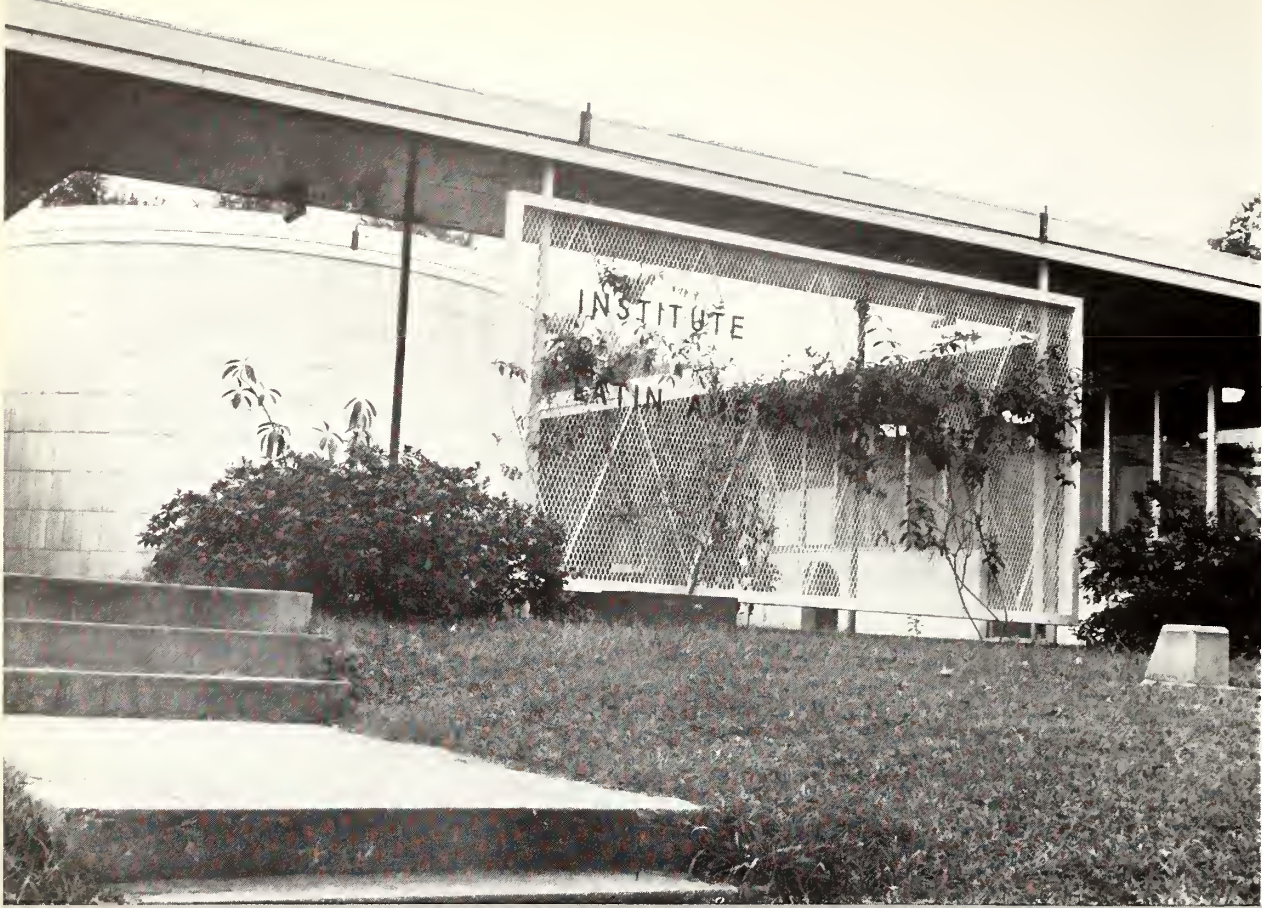

T E N N I S

Mississippi Southern's top players are lettermen Jimmy Ladner of Hattiesburg and Bill Mabry of Gulfport, both seniors; Juniors Ed Petro of Leland and Dave Milligan of Chattanooga, Tennessee; Sophomore Bob Anconetani of Vineland, N.J.; and Freshman Robert Camilleri of Mobile. Members of the Junior Varsity are Larry Moore of Laurel, Bobby Bodden of Mobile, Alabama, and Bill Coffey of Panama, Canal Zone.

The 1960 Southerners will play a tough schedule, taking on such teams as LSU, Florida State, Florida University, Pensacola Navy, McNeese State, and Spring Hill College, in a set of matches both at home and away. Coach Toxie Luckey indicated that this year's team has more depth, and it is expected that they will have a successful season in spite of the heavy schedule.

IT'S A GREAT DAY

Tri Delta captures first place in beauty with "Forecast to Win."

Homecoming Queen receives bouquet at half time activities.

First place in originality was awarded to the music fraternities, Kappa Kappa Psi and Tau Beta Sigma.

Crew Hall, President of Chi Omega, presents the first place trophies to Jim Speaks and Joanne Haluska.

The Tri Delta's won first place in the sorority division as they sang "Sleigh Ride" and "By the Light of the Tri Delta Moon."

First place in the fraternity division was won by Kappa Sigma with their rendition of "The Kappa Sigma Pin Song" and "March of the Kings."

This was the tenth year that the Chi Omega presented their annual Song Fest in which each sorority and fraternity on campus participates. It is one of the highlights of the Christmas Season.

Len Fallen and Patricia Hays as Sky Master-son and Sergeant Sarah Brown confess to each other that "I've Never Been In Love Before" outside the Save-A-Soul Mission.

GUYS and DOLLS

Dick Jones (Nathan Detroit) assures Mona Wall (Miss Adelaide) that he will give up his floating crap game if she will remain his doll in the hilarious "Sue Me" number.

The floating crap game winds up in the sewers as Charles Van Devender (Big Jule) throws his unspotted dice with Roblin, Jones, Catledge, Haun, Signa, Daniels, Henderson, Walker and Moody looking on.

Everything works out all right in the end as Jones and Wall get married by the Mission workers, led by Hays and Fallen, now Mr. and Mrs. Sky Masterson. The whole company joins in wishing them well in the rousing finale to GUYS AND DOLLS.

ALL - CAMPUS

"Take Back Your Mink" is the cry of the Hot Box Dolls in the showstopping strip number shown here. Led by Mona Wall (Miss Adelaide), the girls are Mary Ann Hayes, Ruth Cahoun, Clarice Bryan, Mona Wall, Page Jones, Barbara Allen, and Harriet McCluer.

"Opening Royal Procession" (On steps are Jim Moody as Mark Antony, Jim Tuina as Julius Caesar, and Selvey Johnson as Calpurnia.

MSC Theater

Artimedorus (Charles Wall) warns Portia (Patricia Hays) and Lucius (Don Seay) of an impending plot to kill Caesar in which Brutus is involved.

Mark Antony's triumph over Brutus avenges Caesar's death. Lucius kneels beside his dead master, while Octavius (James Wellman) looks on.

JULIUS CAESAR

Calpurnia begs Caesar not to go to the Capitol.

The conspirators led by Cassius (Len Fallen) and Brutus (Ken Mackenzie), meet to set plans for Caesar's death. Other conspirators are played by James Mullen, Ken Smith, J. Dudley Watson and Edward Truex.

"Julius Caesar" was the Spring production presented by the Theatre Department in 1959. The play was presented under the direction of Mr. Robert M. Treser, Director of Theatre, in the Little Theatre.

"Gigi": Beverly Jarrett and Binnie McCoy.

Dr. S. F. Hartwig, Chairman of Speech Department, and Mr. Robert M. Treser, Director of Theatre, at MSC directed the first Summer Stock productions sponsored by Southern in Pascagoula, Mississippi, this past summer. Eleven weeks of steady rehearsal made the seven productions which were presented in the Paspont Little Theatre a tremendous success.

S U M M E R

"See How They Run": Mary Lois Timbes, J. Dudley Watson, and Mary Ellen Baird.

"The Kids": Maidie Beeson and Merrell Williams, Jr.

"Picnic": Madie Beeson, Sandra Yarber, and Charlotte Gentry.

Nine colleges and universities and six different states were represented in the Summer Stock productions. The seven plays presented were: "Tender Trap," "The Kids," "Gigi," "Picnic," "The Glass Menagerie," "See How They Run," and "Dracula."

STOCK

"The Tender Trap": Roland Oesterreich, Charlotte Gentry, and Charles Wall.

"The Glass Menagerie": Charles Wall and Binnie McCoy.

Johann Strauss' melodious masterpiece in Waltz rhythm, "Die Fledermaus," was the Spring production of Mississippi Southern's famed Opera Workshop. The sparkle of its music, the exuberance and gaiety of its characters and the charm of its story situations made a hit with Southerners. Credit must be given to the Co-Directors, Leonard Stocker and Harris Crohn and the all-student cast for a lively production which set a new musical standard for South Mississippi.

The two leading roles in "Die Fledermaus" were played by Camille Angais, as Rosalinda and Robert Bloodworth as Henry Eisenstein, her husband. They are pictured in the famous 2nd act watch duet.

DAY

The first Pi Day to be held at M.S.C. was a great success. All the sororities entered the contests, and all had a great time. Delta Delta Delta accumulated the most points to win the Pi Day trophy.

Everyone really digs into that pie on Pi Day.

The egg pitching contest found many with slippery hands.

Babe and Catherine pull ahead in the three-legged race.

Olympic javelin throw? No, just a football throw.

Officers of S.C.F. are, left to right: Ken Owens, President; Gloria Saunders, Vice-President; Kitty Carter, Secretary; Miriam Kahn, Treasurer.

S.C.F. is a council composed of a president, vice-president, secretary, treasurer, historian, publicity chairman, and a representative from each of the religious groups. Religious Emphasis Week, Vespers, the Thanksgiving Service, The Christmas Service, and the Easter Service are among the activities sponsored by the S.C.F.

STUDENT CHRISTIAN FEDERATION

Dr. John F. Nau is the adviser to the Student Christian Federation as well as Chaplain of the College.

Each religious organization on M.S.C.'s campus has a representative in S.C.F. These representatives are elected by their various groups.

Dr. Walter Simonson, Director of Forensics, coaches all participants in forensic activities.

Sponsored by the Department of Speech Arts, Forensics gives training in debate and discussion. The Debate Squad, composed of over 20 students, attends more than seventeen tournaments from Texas to Illinois. It also sponsors the Gulf States Speech Festival at M.S.C. in February and participates in extemporaneous and after dinner speaking, radio speaking, interpretative reading and oratory.

FORENSICS

Members of Forensics are first row, left to right: Alan Seman, Stan Gwin, Donald Drapen, Fletcher Coker, Carol Logan, Barbara Utsey and Scotty Swartz. Second Row: Chet Anderson, Jim Armstrong, Danny Telfair, Richard Thames, Joe Miroettv, Spike Newman, Joyce Tally, Jim Lott, Charles Assaf, Sandra Chestnolnick, Laurie King, Dale Lvons.

The freshman counselors are: seated, left to right: Evelyn Lutric, Lynda Lammors, Sarah Smith, Bennie McCoy, Betty Ann Jordan. Standing: Mary Kay Hammond, Marilyn Darby, Betty Patterson, Ramona Rogers, Carolyn Wellborn. Not Pictured: Mary Jo Lucas.

COUNSELORS

The counselors live in the freshman girls' dormitories. They are there to advise the girls and help them during their all important first year. This is one of the top honors that can come to a woman student at Southern.

PROCTORS

Proctors are students employed by the Housing Office to assist in the management of the residence halls. Each has specific responsibility for a given area of the building and for the residents of that area, but his authority extends to other areas or buildings as needed. The "Proctor system" has proven to be very effective, an eloquent commentary on the high caliber of the men selected to serve as proctors, and on the ability of students in general to accept and discharge responsibilities.

Front Row, left to right: Bob Yenko, Supervisor; Ken Cochran, Ken Shearer, John Migliozzo, Jim Barry, Walter Conn, Mike Rabalais, Supervisor. Back Row: M. C. Hamiton, Hugh McInnis, Henry Toney, Glynna Garrett, Joe Sharp, Glynn Gabbert, Scott Hand, Homer Boyd, Harry Hopkins. Not Pictured: Fred Otte, Don Curry, Dock Wall, Charles Rea, Ben Gantt, Dalton Kermer.

Dear Mr. Coleman:

You people should be very proud of your pretty Mississippi girls.

This is a difficult decision to make as I'd like to call them all winners. However, you make the rules and here are my choices. As you have requested, I have listed the top ten on the enclosed form.

I'd like to congratulate all of the candidates and wish them all the luck and success in the future.

Sincerely,
